## *About Us*

HATH KARGHA UDYOG is one of India's leading experts in the design, manufacture and installation of expansion joint systems. Most recently, HATH KARGHA UDYOG has introduced a new product line of high quality door mats in the other state region. Our products satisfy the most rigorous standards in quality and safety and are widely used in building projects such as airports, train stations, industrial plants, parking structures, shopping mall, office buildings and hospitals. Every day, our experienced team do their utmost to make your building project successful. We are not satisfied until you are satisfied. Because our guiding principle is: HATH KARGHA UDYOG – you first.

Over 700 products for one purpose: Yours. With own brands and over 600 proven expansion joint systems, we've got the diverse structural needs of today's construction projects covered. We confront problems such as heavy traffic loads and meet exacting standards in water resistance or hygiene. Floors, walls or roofs, HATH KARGHA UDYOG offers the perfect solution for any surface. Products of the highest quality are fundamental to our business; yet our ultimate priority is always customer satisfaction.

Moreover, we offer you a wide range of services to make your building project successful: Starting with competent advice, followed by technical application support on site up to our complete installation service. And that is what we call our HATH KARGHA UDYOG 360° Service.

### Quality Management System

HATH KARGHA UDYOG has implemented a comprehensive Quality Management System as part of implementing ISO 9001: 2008 standards and it includes efficient sourcing mechanism, rating system. For maintaining an approved vendor list, random samples taken from each lot are inspected at its testing laboratories to ensure that raw materials conform to certified standards, Standard Operating Procedures (SOP) for each aspect of production, Identification and Trace-ability. Social Compliance/Accountability
